Bingmobiles is the name Carmel Youth Center members gave to the three food concession trailers, purchased with a Crosby Fund donation, which arrived in Carmel this week in time for center members to sell food at the 21st National Pro-Amateur Golf Tournament sponsored by Bing Crosby.

The green and white trailers, equipped to serve hot and cold foods, soft drinks and coffee, will be placed at strategic points in Pebble Beach. Del Monte Properties, also, has given Carmel Youth Center members permission to sell food from the trailers at all other sports events on Del Monte land.

Proceeds from food trailer sales will be used to support Carmel's teenage recreation center which no longer receives Community Chest or Carmel School District funds.

Seen peering from the door of one of the trailers shortly after they arrived from Long Beach, where they were built, is Jack Hinchcliff, Youth Center sergeant-at-arms. Leaning on the window sill counter are two other Youth Center officers, Ted Leidig, treasurer, and Rick Baldwin, president. Congratulating Youth Center Adult Board President, James Buffington, atop the jeep, are left, Pam Martineau, center vice president, and Carol Creighton, public relations chairman.

Crosby Tournament proceeds are all used for charity, mostly for youth centers and other youth activities in California. Bing Crosby will be here again this year for the event. Bob Hope, Phil Harris and Johnny Weissmuller will be tournament players, also Tennessee Ernie Ford, Dean Martin, Philip and Lindsay Crosby, Ray Milland, Fred MacMurray, Buddy Rogers, Igor Cassini, Jack Kramer and Eric Pedley.

Editor's Column

Sometimes it is surprising to see ourselves as others see us.

Mrs. N. Gayle Gitterman of Los Angeles and Jack Martin of Carmel drew our attention to an evaluation of Carmel in the January 7 issue of the Los Angeles Times written by Horace Sutton.

The article begins:

"The oglers and the gogglers have breached the arty fastnesses here by the Pacific. They rumble into town these days like rampaging Visigoths leaving nothing but parking problems, paper cups on the beach and $13 million a year in the shops. Not counting what they drop in hotels, motels and other bide-a-wees.

"Once the woodsy redoubt of painters and writers, Carmel has become a sea-washed, sunswept freak.

"People come from miles around to see the funny place where the longhairs live. And they still live, the quaint things, without house numbers, mail deliveries, television aerials, undertaking parlors, bowling alley, jails, cemeteries or live music in public places. If you want to die or dance you better go some place else."

Mr. Sutton goes on to poke fun at our lack of sidewalks, preservation of trees, protests against "swarms of house guests, day guests and passersby" for whom we have "installed 50 gift shops, two score artsy-craftsy dens and two dozen eating places" in ad-

A nine-foot scale model of the Hatton Canyon scenic roadway, proposed to replace the Highway One freeway development planned in this location by the State, will be exhibited at the meeting. Chitwood Will Not Run For Re-Election To Council In April

A week from today filing opens for candidates who seek election to the city council on April 7. Last date to file for the two vacancies created by the expiring terms of Councilman John Chitwood and Gunnar Norberg is February 15.

Councilman John Chitwood says he definitely will not run for re-election. He has served on the council since 1950. In October, 1957, he was elected mayor by other councilmen when former Mayor Horace Lyon resigned from office. After his second successful re-election to the council in 1958, Commander Chitwood was again chosen as mayor and occupied this office until 1960.

Councilman Gunnar Norberg states that, as yet, he has not decided whether or not he will seek re-election. He has been a member of the council since 1958.

Citizens To Help Planners Define Parking Lot Need

Planning commissioners took home from their study session yesterday afternoon two reports which they will analyze before their regular meeting next Wednesday afternoon. One contained five basic questions which must be answered before a policy for off-street parking lots for the business district can be established. The other is a list of city officials, outside organizations and Carmel civic groups who will be invited to send representatives to a series of planning commission public meetings on the parking problem. Following these meetings, individual citizens may be invited to give theirs views on parking to the commission.

Purpose of the public meetings will be to obtain a volume of factual information on which the planning commission can base a policy for parking lot plans.

The five basic questions which commissioners will analyze and which must be answered before parking plan detailed study is begun are:

Is there sufficient parking on-street and off-street to meet demand at each season, also, in each major part of the business district, for one-hour use and longer?

What are the economic, esthetic, and zoning factors that will limit extent of off-street parking development?

How do esthetics, public safety, economics and motorist convenience bear on such off-street parking as may be established?

Shall the city participate actively in the construction and operation of parking lots, and, if so, to what extent?

Shall the city regulate the operation of parking lots, and, if so, to what extent?

The list of persons to be invited first by the commission to public meetings on parking includes the street superintendent, building inspector, police chief, city engineer, also representatives from the American Automobile Associa-

Briefs . . .

Angels will soon smile down on Ocean Avenue, gold leaf angels, that is. Yesterday Joe Belleci submitted for planning commission study designs for scrolls with an angel at each end. The scrolls, both signs, were lettered with the name of his new gift shop, City of Florence, to be situated on the ground floor of the Goold building at the northeast corner of San Carlos and Ocean Avenue. The angels will also smile down from a sign painted on the San Carlos frontage of the shop.

Carmel school authorities were still puzzled today over the "hit-run" visit to three schools Monday of a roving "missionary" who called herself Miss Ann Jones. The woman, described by teachers as about 40 and black-haired, dressed in white and carrying a white Bible or prayer book, visited two

Two Youths Arrested For Snatching Purse From Carmel Woman

A 16-year-old Seaside youth was taken into custody in Monterey after the car in which he was riding smashed into a tree last night, following a purse-snatching incident near the Carmel Post Office a short time earlier. A 20-year-old companion, Horace Clifton Carson, Jr., also of Seaside, escaped after the accident, but was apprehended later.

Mrs. Lupe Ramos, who lives near Fifth Avenue on Dolores Street, told Carmel police at 10:23 o'clock last night that two youths grabbed her purse, containing $35 in checks and some $14 in cash, as she stood at her gate about to enter her yard.

Carmel police immediately relayed word of the purse snatching to other Peninsula police departments, together with a description of the suspects.

At 10:37, only 14 minutes after the Carmel police report, Monterey police apprehended the 16-year-old suspect, who had been taken to Monterey Hospital with head injuries following the accident. The second man, Horace Clifton Carson, Jr., 20, ran after the collision. The purse stolen from Mrs. Ramos was found intact on the seat of the car, where police also found two rifles and a knife.

The second youth, Carson, was apprehended early this morning in Seaside. He is being held on $1,050 bail. The 16-year-old was taken to Juvenile Hall in Salinas. Each youth accused the other of the purse - snatching when questioned by Carmel police. Both have previous police records.

CROSBY GOLFERS OPEN PLAY ON THREE COURSES TODAY

With the world's top professional and amateur golfers ready to launch an attack on par at Cypress Point, Pebble Beach, and the Monterey Peninsula Country Club courses, the 21st Bing Crosby National Pro-Amateur Tournament got under way at 7:30 this morning. The pros will be going for their share of the $50,000 bundle which will be divided among the first 40 play-for-pay players. Amateurs finishing in the money will be rewarded with such prized articles as radios, watches, and other coveted gadgets. In addition to the amateur golfers who are low handicappers and capable of keeping up with the pros, the Crosby is loaded with colorful stars of screen, television, and the sports world. The action will rotate over the three Del Monte Forest courses for the first three days with the Sunday finals limited to the treacherous Pebble Beach layout.

An expanded entry list finds a record field of 156 teams participating in this year's Clambake. In addition to more players, there will be added television coverage and golf fans will also have an opportunity to swing a club by participating in the Peter Hay Memorial Hole-in-One Tournament at the Pebble Beach Peter Hay course. The Peter Hay hole-in-one is a charity event which channels all the profits into the new Peninsula Community Hospital. Over $35,000 in prizes are up for grabs in the Hay Tournament and any lucky golf shot could prove to be the big winner.

Except for Sam Snead and Ben Hogan, all the top professional golfers are in the Crosby, and the amateur list is the most colorful and exciting ever to swing in the fabulous charity event. Stars from Hollywood include Bob Hope, Phil Harris, Jim Garner, Tennessee Ernie Ford, Dean Martin, Gordon McRae, Bob Sterling, Dennis O'Keefe, Jack Kelly, Ray Milland, Jim Backus, Fred McMurray, and Bing's boys, Phil and Lindsay. Bing, who has played many times in his own tournament, is recovering from a kidney operation and will limit his tournament activity to television and being an interested spectator.

Prominent sports figures taking their cuts in the Pro-Am are football's Duffy Daugherty, Red Hickey, Bob Reynolds, Del Shofner, Tom Harmon, Forrest Evashevski (with Evashevski in front of Harmon, this could be a pretty formidable combination), Ernie Nevers, and Bones Hamilton; baseball's Bill Rigney, Jim Davenport, Jackie Jensen, Lefty O'Doul, Alvin Dark, Paul Richards, and Lee Walls; boxing's Jimmy McClarnin—probably the world's greatest credit to the boxing game; and from the sportswriting fraternity, Nels Cullenward, an 8-handicapper, who swings from the port side.

Outstanding low-handicap amateur golfers on the scene are Dudley Wysong, runner-up to Jack Nicklaus in the 1961 National Amateur which was contested over the Pebble Beach links; Dr. Bud Taylor, Roger Kelly, John Lotz, Morgan Barofsky, Wheeler Farish, Jr., John Richardson, Don Cherry, Harvey Ward, Jr., and many others.

With all the proceeds ticketed for charity, the Crosby is justifiably called the greatest golf tournament in the world, and it has to be great to draw huge galleries even when there is a trace of mist and light gales blowing over the Del Monte Forest courses. Weather is always an important factor in a golf tournament, but Crosby fans have been known to enjoy themselves the most while decked out in sea-boots and oilskins.

Spotted around the golf course will be Carmel Youth Center (another product of Bing's generosity) concession booths which are well-stocked with the goodies which make a golf tournament more enjoyable. The hard-working Carmel youngsters are striving to make their fun spot self-sustaining by catering to the needs of the people who are helping them by being a part of Bing's golf-go-round. The Youth Center food spots are located at the 13th green on the Monterey Peninsula Country Club and at Pebble Beach, the attractive new trailers may be found at the 8th, 15th and 18th greens.

Tickets for the tournament may be secured at all gates entering Del Monte Forest, and ticket sellers are also strategically spotted around the golf courses.

PADRE CAGERS NO MATCH FOR GILROY

After watching the Gilroy Mustangs humiliate the Carmel High varsity last Friday night at the Carmel pavilion, it is readily apparent why the Carmel Tournament directors failed to invite Coach Bob Hagen's classy quintet to the annual Padre hoop festival on March 1-3. The smooth-working Mustang aggregation put on one of the best exhibitions of team play ever witnessed at the Padre court and could have won by over 50 points if Coach Hagen hadn't shown a fine display of sportsmanship by benching his first-stringers to allow the Carmel lads to catch up. A charter member of the Annual Carmel Basketball Tournament for 14 years, Gilroy was informed it would not be invited this year, but the disappointment suffered by the Gilroy cagers did not dim their sense of sportsmanship which has been instilled in them by Coach Hagen. When the Carmel Tournament was struggling for recognition, the outstanding teams and rooting sections from Gilroy held the tournament together to make it the success it is today. Originally instigated to improve sportsmanship throughout the league, the Carmel Tournament will suffer without the fine kids from the Mustang camp.

To get back to the game. Led by Joe Fillipelli, a 6-2 shot-maker with all the moves, Gilroy took control at the opening whistle and was in front 28-17 at the halftime rest period. Moving the ball with the precision of five ball bearings on a saucer, Coach Hagen's crew moved to a 25-point lead early in the third period before the gracious mentor called off the starters and turned the action over to the reserves.

Carmel's Jim Brown had one of his best nights of the season with 20 points, but most of the markers were scored against the inexperienced underclassmen who manned the Blue & White team during the final period. Hustling Teddy Leidig put on his usual fine performance against the Mustangs, but the little playmaker couldn't overcome the fine team effort dished out by the Mustangs.

Coach Clyde Klaumann's junior-varsity made an all-out effort to run its win streak to two straight at the expense of the Gilroy reserves, but the Padre reserves ran out of gas in the final quarter to drop a 39-34 decision to the poised Gilroy gang. Mike Brasher, Bob Wells, and Stan Michelson did a fine job for the Carmel jayvees only to be snowed under by Joe DellaBitta's direct hits for 21 points.

Carmel's lightweight gang, unruffled by the big reputation of the Gilroy lights, did a workmanlike job against the Ponies and kept atop the lightweight perch by clipping the favorites, 39 to 34, in the best game of the evening. Coach Harold Lippstreu's charges showed a well-integrated attack which could move with set patterns and a blistering fast-break. Sparked by the clever passing of Jose Fernandez, the Padre Babes tallied 18 field goals to 14 for the visitors, and maintained a comfortable lead for most of the game. Top scorers for the Little Padres were Richard Wise (17), Al Arndt (7), and Jack DeWitt (6). Enborg Halle and Bob Moffatt did an effective job as rebounders for the Carmel squad.

Tomorrow night's league action puts the Carmel quintets against Live Oak in a triple-header at Morgan Hill. Junior-varsity tip-off is slated for 5:30 with the lightweights going on at 7:00, and the varsity slated for an 8:30 toss-up.

Saturday night, Carmel travels to Salinas for a triple-header with Palma High, and on Tuesday, the Red and Gray quintets go over the hill to Monterey High for three jousts with the Monterey Toreadores.

Business Association Invites New Members, Revises All Listings

The Carmel Business Association is in the process of revising lists of businesses in Carmel. Any persons in business who have not, as yet, joined the association are invited to do so at this time when former members are renewing their association with the group, according to Mrs. Gladys McCloud, president of the association.

Miss Kay Huntington, Business Association secretary, says she answers scores of inquiries from out of town people concerning housing, schools, shopping and recreational facilities, restaurants, realtors and employment agencies in the city. She is asking former and prospective members to send in their annual dues ($12) before the deadline date, February 15.

Mrs. McCloud is anxious to have all members attend meetings and participate in the program of the Business Association this year.

"The association is as good and as active as the members want it to be," she stresses. Further information may be obtained from Miss Huntington by telephoning MA 4-2579.

Before he left for a six-weeks skiing vacation, Councilman Francis Whitaker told Principal Warren Edwards that he would reweld, with larger size pipe, another flagpole for Carmel High School campus.

Any action on this offer, however, must await Whitaker's return to his Forge in the Forest, Stuart Mitchell, superintendent of Carmel Unified School District, observes.

So, the flagpole situation rests.

Through community effort, a new 50-foot flagpole for the high school was provided, but did not meet with State regulations.

Students at Carmel schools, along with their parents and other family members, were offered a chance to buy inexpensive identification tags through the Carmel Elementary Parent-Teacher Association this week.

The sale of the tags, a project voted on by the full membership of the P-TA last fall, is being handled by the group's civil defense committee, headed by Mrs. Warren Edwards, who emphasized that purchase of the tags is optional, but that their value might be great in case of any mishap or disaster situation, from a child's becoming ill to a fire, earthquake or other emergency.

Main Street League Appoints Committee

Fifty persons attended the first meeting of the Main Street League at the Mark Thomas Inn January 12 and heard William A. Burkett, president of the Security State Bank of Pacific Grove, speak on Liberty and Individual Enterprise.

Mr. Burkett told those present, all persons either in business for themselves or interested in the continuance of individual and home-owned business in the United States, that one powerful federal department or agency should be created. Such a Department of Corporations should neither excuse nor tolerate monopoly, but prevent it, he said, also uproot monopoly when discovered, and, in addition, effectively control and regulate all big combinations; give certainty and security to small business.

"People have lost their courage to speak out and fight for their freedom and beliefs in free and individual enterprise," he stated.

The group was formed to make proposals to the small business committee of the U.S. Senate, Senator John Sparkman, chairman, at the suggestion of Raymond D. Watts, legal counsel for the committee, in reply to a telegram sent to the committee by local business persons.

Gunnar Norberg, acting chairman at Friday's meeting, was appointed by the group to head an organizational committee for further meetings. Those who will serve with him are Mr. Burkett, Dale Leidig, Mrs. Clyde Dyke, Ben Gross, Harold Harper, Arthur Siever, Mrs. Gladys McCloud, Dr. Robert Bowersox, Walter Beck, Saul Weingarten, Charles Bentley, Phil Firstman, Beauford Anderson, Vernon Hurd, and Assemblyman Alan Pattee, the latter in an ex-officio capacity. Secretary of this committee is Peg Miner.

Carmel persons at the first meeting of the Main Street League were Mr. and Mrs. Gunnar Norberg, George Walker, Mr. and Mrs. Cree Wilder, Mrs. Gladys McCloud, Mr. and Mrs. Dale Leidig, Fred Diefendorf, and Peg Miner.

Music On The Peninsula

by Mary Lindsay-Oliver

As Ruth Slenczynska had lived in Carmel, studied with a former resident, Mrs. Jesusa Fremont, now in Paris, and was soloist for the Bach Festival in 1951 thus terminating a self-imposed 12-year retirement similar to the child prodigy, Harold Bauer, I thought a report on her performance with the San Francisco Symphony Orchestra would be interesting to Carmelites.

As both friends with whom I generally stay overnight were out of town, the return journey here was made on the midnight bus to Salinas and I arrived home in one of the coldest dawns ever experienced on the Peninsula. It was worth it! Not only is Slenczynska now an international celebrity of fine pianistic attainment, but the comprehension, brilliancy and power her small body produced handling the difficult Khachaturian Piano Concerto against full orchestra won her a significant ovation from the full house that would hardly let her go.

It was one of the few special Saturday concerts. Seiji Ozawa, the Japanese guest conductor, was an excellent guide to the orchestral whole and completely captured the audience for his stirring presentation of the Berlioz Symphony, Episode in the Life of an Artist, and the Beethoven Egmont Overture in which he evoked exciting results from the routined San Francisco ensemble. His slim figure with coat tails flying out in his energetic movements reminded one of pictures of the eccentric Paganini. Ozawa is assistant conductor to Leonard Bernstein of the New York Philharmonic, was there when Gregory Millar, former local conductor, also held a similar position before his appointment to conduct the Kalamazoo Orchestra last fall.

It would be interesting to hear Slenczynska again in a Carmel recital. So many artists, musicians and painters who have become famous have resided at some time in Carmel, and they should get special welcome from the community.

Tuesday, John Gosling of Carmel, conductor of the Monterey County Symphony, received a telegram saying he had been accepted for the Conductors' International Competition held in May at Liverpool in England. The wire was from the manager of the Liverpool Philharmonic. The next concerts of the Monterey County Symphony are on February 5 and 6. Rehearsals are now in progress.

Lou Harrison, gifted contemporary American composer who lives near Santa Cruz, is being presented in a concert of his own compositions by the Arts Council of the Santa Cruz Chamber of Commerce at the High School there on Sunday evening at 8:15 o'clock as a benefit for the council. It will be followed by a reception for which a number of invitations have been received here.

Harrison is considered one of the outstanding contemporary composers by national critics. He has shown special interest in extracting sounds from many kinds of objects that are not musical instruments, yet together make music.

He will be assisted by an orchestra conducted by Robert Hughes.

Republican Men Reactivate Club, Approve By-Laws

A set of new by-laws was presented, discussed in detail, and eventually approved at Monday night's meeting of the Monterey Peninsula Republican Men's Club, held in the Carmel High School cafeteria. John N. Shephard, Monterey attorney and chairman of the by-laws committee of the recently reactivated Republican Club, presented the rules and regulations upon which the club membership acted. Other members of the by-laws committee were: Colonel Howard Helliesen (USA-Ret.), W. R. Carver, W. H. Sebenius, and Robert E. Stevenson.

It was decided that meetings of the club will be held on the third Monday of each month; that annual dues will be $5.00, payable by each April 1; and that the officers of the club will be president, first vice president, second vice president, secretary, and treasurer. The executive committee of the club will include these officers and, in addition, six separately designated directors.

VISITORS FROM THE SOUTH

Spending Monday and Tuesday in Carmel were Dr. Dorothy Franklin of Los Angeles, who has a long-established practice there in obstetrics and gynecology, and her sister, Elizabeth Franklin, registrar at the Los Angeles Art Center. They drove up here with Mrs. Eleanor Parsons Baylis of San Bernardino.

While she was here, Miss Franklin, who first visited Carmel with her sister in 1906, spoke to Monterey Peninsula College students about the Art Center.

Studio Announces Cast For Comedy Opening Tomorrow

Send Me No Flowers, a recent Broadway comedy success by Norman Barash and Carroll Moore, will open tomorrow evening at The Studio Theatre.

Concerning the domestic upheavals of a young American couple, of which the perfectly healthy husband is a die-hard hypochondriac, the plot develops a series of fast-moving and funny situations, involving a talented cast of diverting characters.

Dick Vreeland will play the leading role of the hypochondriac husband. He will be remembered for his characterization of the exuberent sailor in The Golden Fleecing at the Circle Theatre.

His attractive and long suffering wife will be played by Dorothy Weston, known locally for her roles in Nude With Violin, Bells Are Ringing, Look Homeward Angel, and as Ida, the Cockney maid in See How They Run.

George D. Marshall, Jr., appearing for the first time on the Peninsula, will play a family friend. He will bring an interesting background of community theatre experience with him from the East, as does Irving Rogers from Southern California, who will play a Texas oilman.

Jere Jacobs, the much-put-upon family doctor in the play, has appeared on radio and TV.

Anita Tonn, seen strikingly in two dream sequences, recently scored a big success as Bessie in Tobacco Road at the Forest Theater.

Elroy Naczek directed and acted in the Forest Theater's presentation of Rashomon. "Pop" Smith, a Carmel celebrity, and Paul Holcomb, a newcomer to the theater, round out the cast. Barbara Horder West is the director.

Arena Blanca Poets Co-Sponsor 3rd High School Competition

Monterey Peninsula high school students have just two weeks left to polish their entries for the third annual poetry contest co-sponsored by the Arena Blanca Poets and the Carmel Pine Cone. Deadline for the 1962 competition is February 1.

Four cash prizes will be awarded and four honorable mentions. All eight winners will receive one-year junior memberships in the California Federation of Chaparral Poets, and will be guests of honor at the Arena Blanca Chapter's high school award night meeting to be held February 21 at the Carmel Art Association Gallery.

Copies of the contest rules have been distributed to all Peninsula high schools. Each student is invited to submit one original, unpublished poem of no more than 24 lines, on any subject and in any verse form. Three individually typed copies (no carbon copies), double-spaced, with name in upper left corner, and school in upper right, should be mailed before the February 1 deadline to Arena Blanca's contest chairman, Mrs. Olivia Young, 517 Crocker Avenue, Pacific Grove.

Any further information and rules for the 1962 state contest, which closes April 1, may be obtained by calling Mrs. Young, FR 5-1285.

GUEST PREACHER SUNDAY AT ALL SAINTS'

Guest preacher next Sunday at All Saints' Episcopal Church will be a graduate of the United States Naval Academy, George M. Sheldon of Berkeley, California. A former resident of the Monterey Peninsula and student in the U.S. Naval Postgraduate School, Mr. Sheldon left active duty in the Navy to study for the priesthood of the Episcopal Church in 1959. He will graduate from the Church Divinity School of the Pacific next June.

Dr. Robert Bowersox, above, Monterey physician, this week announced he is a candidate for Congress from the 12th Congressional District. A Democrat, his intentions are as follows:

"My election will mean giving up a medical practice. I am prepared to do this because I would like to devote myself fully to the service of our country.

"If I am chosen to represent the people of this District—Monterey, San Luis Obispo, Santa Cruz and San Benito counties—I shall work vigorously in Congress for what they want, which I know is the preservation of peace, a strong and resolute foreign policy, sound and equitable legislation and efficiency and economy in Government. I shall strive to give diligent personal service to all residents of the District."

Dr. Bowersox was born in Ohio and spent his early life in Michigan. He is 39 years of age and has practiced medicine here since 1956.

Why it's more costly to be cozy right now!

Now that the hibernating season is here, the bear fact is that you spend more time indoors. Longer nights, darker days, colder weather means you use more lights and heat, cook more hot meals, watch more TV. And you've probably added more appliances, too. So it's perfectly normal for your PG&E bill to be a little bigger these days. But doesn't it make it a little more bearable... when you know that the price of PG&E gas and electricity for a typical home is 8% *less* than it was 30 years ago!

CHRISTIAN SCIENCE SERMON

Conflicting demands of everyday living can be resolved through spiritual understanding of God as divine Life.

This is a theme of the Lesson-Sermon entitled "Life" which is to be read at Christian Science services Sunday.

Selections from the Bible will include this verse from Psalm 40: "I delight to do thy will, O my God: yea, thy law is within my heart."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (p. 184): "Truth, Life, and Love are the only legitimate and eternal demands on man, and they are spiritual lawgivers, enforcing obedience through divine statutes."

The Golden Text is from John (17): "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

WHAT'S DOING

D. D. Muir, your Telephone Manager in Carmel

Marcie Milligan is shown here taking information off of the electronic secretary which was recently installed in the Monterey business office for use by telephone company employees calling for information needed to complete their jobs. Leaving information with the electronic secretary will make available more incoming lines for our customers use. We of the Pacific Telephone Company are always striving to provide better service for our customers.

I've seen a number of articles lately on how to improve one's reading speed. Now that's something our Information operators are very interested in. So they can give you quick, accurate information, they've taken company Rapid Reading courses, use special indexes and cross references. Three years ago, the average time spent on a request for a telephone number was thirteen seconds longer than it is today. Learning to cut down the time it takes to give you the information you want has also made the job easier for our operators. This is another important way we have found to help give you better telephone service.

* * * * *

Unusual uses for telephone books. One of the telephone companies received an order from a South American fruit company for 800 telephone books—Yellow Pages and all. Turned out they were to bullet-proof a truck against bandits!

It figures—when you need help, you'll find it fast in the Yellow Pages!

Letters . . .

Trail Conservation Committee,
Rte. 1, Box 382,
Carmel.
January 10, 1962

Dear Mr. Cook:

This is the third letter sent out by the Trail Conservation Committee in its effort to prohibit motorized vehicles from using trails and adjacent land within the National Forest, and private land without the owner's permission. Specifically, these vehicles should be restricted to existing roads where they belong.

The battle against the motorized scooter has reached a critical stage. The USFS has issued regulations closing almost all of the Monterey Division of the Los Padres Forest to motor vehicles of all types. Established roads, designed and ordinarily used for vehicular traffic, are excepted, and, unfortunately, four specific trails near Santa Lucia Peak will be left open.

The USFS has requested Monterey County to pass a supporting ordinance, the main purpose of which would be to allow violations to be prosecuted in local courts instead of in Federal Court in San Francisco. A similar ordinance now supports the Closed Area Permit regulations, in effect during each fire season.

Opposition to this proposed county ordinance developed at the December 11, 1961, hearing before the Monterey County Board of Supervisors, at which a representative of the American Motor Scooters Association appeared, and the matter has been continued until February 19, 1962, at 11 a.m. It is our understanding that this is in the nature of a test case for the USFS; the first attempt to close any forest in the entire division, and we must concentrate all our efforts to win this case.

We, therefore, urge you and your friends to write individual letters (not petitions) or have your organization pass an official resolution supporting such an ordinance. These letters should be addressed to Monterey County Board of Supervisors, Court House, Salinas, and marked "February 19th Hearing." Use your own words in urging the Board to support the USFS closure regulations. If you could possibly attend this hearing it would indicate to the Board that we are serious and determined. Please notify us if you plan to attend this hearing.

The next step will be to work toward an ordinance covering public access trails to the National Forest which lie on private land. The South Fork of the Little Sur Trail, the D'Angulo Trail on Partington Ridge, and The Big Pines Trail from Los Padres Dam or White Rock are just a few examples of many such trails. Mention this point if you agree, but emphasize the main point—Keep the Forest Closed to Motor Vehicles.

Respectfully yours,
Conservation Committee,

The Editor
Carmel Pine Cone.
Dear Madam,

Can Carmel really afford its ticket-happy police force? The figures given by Chief Klaumann show some 10,000 tickets given for absolutely harmless offenses, mostly overtime and faulty parking. This is equivalent to a tax of somewhere between $20,000 and $30,000 a year in Carmel, without in any way improving parking facilities.

The fine of $7.00 for running a stop sign is often inflicted for merely rolling safely over at slow speed, but this brings in a further $2835 (though the justification of this may be argued). Only 597 fines are recorded for speeding, which is really dangerous.

Meanwhile also out of 700 missing property, thefts from cars, grand larceny, burglaries and such and some 1,300 other offenses, only 222 arrests were made, or about 11 percent. We understand and sympathize with the police that such arrests are much more difficult to make than giving a traffic ticket, but while the community has to take these big and unrecovered losses, we could suggest that the police "layoff" their ticket-happy practice for which Carmel is becoming notorious among its residents and tourists.

Yours very truly,
R. Rolleston West

Editor,
Carmel Pine Cone,
Dear Madam:

I have received my second copy of the Pine Cone and find it very interesting. I wish we had a city council in Pekin like the one you have in Carmel.

Very truly yours,
P. A. D'Arcy,
Attorney at Law.

Mrs. Robert Aversano was elected to a second term as president of the Monterey Peninsula United Church Women at their annual meeting last Friday held at the First Christian Church in Pacific Grove. Mrs. Aversano is a member of St. Mary's-by-the-Sea Episcopal Church.

U. C. W. includes more than 20 women's church societies on the Peninsula, devoting its energies to religious and social welfare.

Other officers elected at the meeting were Mrs. George Gruber of the hostess church, first vice-president; Mrs. Hisao Yamanishi of El Estero Presbyterian Church, second vice president; Mrs. John R. Christie, Church of the Wayfarer, treasurer; Mrs. William Mallory, Church of the Oaks, recording secretary; Mrs. Tolly C. Martin, Hays Chapel, corresponding secretary. These officers, together with the president and an elected representative from each affiliated organization, constitute the executive board.

Plans for the World Day of Prayer, the first Friday in Lent, to be held at All Saints' Church, were discussed, also the program for May Fellowship Day. The afternoon session was devoted to an interesting account by Mrs. Arthur Lindval of her work as a missionary in San Salvador, from which she is at present on furlough at her home in Pacific Grove.

Salgo Auditions For Bach Festival Chorus Singers February 3

Sandor Salgo, Bach Festival conductor and director, will audition applicants for the 1962 Bach Festival Chorus on February 3. Interested singers, both male and female, with a good background in choral work, are invited to audition.

Local participation in the chorus has grown increasingly in past years.

Included in this year's Festival program will be the complete and uncut version of Bach's St. Matthew Passion. In addition, two other major choral works of Bach and Handel will also be performed.

Rehearsals are scheduled to begin February 13, and will take place weekly thereafter. Angie Machado, who has coached the chorus for a number of years, will again be in charge.

Previous members of the Bach Festival Chorus are asked to notify the management before February 1, as to whether or not they will continue with the group this year.

Title of his talk, open to the public, is Eye Witness to Headline History.

Mr. Morley's talk on current events is the first of a series planned as a community service by the church. He will also discuss population explosion in Asia, economic growth in Germany, France, Italy, and Japan, the position of the United States in the Middle East, Africa, Asia, the Far East, and Europe.

SONG OF THE CANYON

High on the canyon walls,
Glowing in golden grace,
The warm, bright sunlight falls
On a sheer rock face.

Lower, in misty gloom,
Purple shadows abide,
Threatening boulders loom
On the dark cliffside.

Deep in the gathering dark
Gurgles a mountain stream—
Ominous? threatening? Hark!
Like a happy dream

It ripples in liquid laughter,
Dreaming, it seems to me,
Of the waters that follow after,
And the shining sea.

—E. Leigh Mudge.

PAEAN

Age-old Moon illuming silvered trees,
Your beauty thrills anew as night-borne breeze
Wafts sweet scent of softly sleeping soil,
While vanished is the fret of sun-day's toil—
Glowing Goddess circuiting the skies,
A lustral peace beneath your pathway lies.

—Ria Grubb.

SEA-NOISES AND PLACES

I put a shell to my ear;
sea-noises I hear
within the chambered sieve.

Waves well up and give
then well and die;
I know the sigh
of a spent storm
and feel the warm
sun of morning
aborning.

Then, the sea again;
on, up the beach to grain
the sand and line the shore
with driftwood, to smash the corps
of feudal cliffs, retreats
then attacks—with no defeats.

Sea-noises and places,
all in a shelled oasis.

—George Kauffman.

REMEMBERING

I stand beneath a grey-sleeved cypress
remembering, remembering;
the moss-dripped trees,
pockets of mesembryanthemum, in
all-out winter color,
nestled against the sand dunes,
a silver arrow of birds flying
low against the shore,
the kelp bobbing like seals
and the lone little boat of fishermen.

—Cassell Apgar Bush.

Pfc. Hilbert Plays Football And Hunts Tusked Korean Deer

When Army Private First Class Harrison S. Hilbert, son of Mr. and Mrs. Harry Hilbert, was sent to Korea last summer with the First Division of the 8th Cavalry, he decided to try out for the Division's football team, sponsored by Special Services. Picked for the team from among 100 other candidates, Harrison wrote home in excitement, "I owe it all to Coach Mo." A 1960 graduate of Carmel High School, he was one of George Mosolf's champions.

More recently, Harrison took part in a winter training exercise in Korea, in which he served as a forward observer in the cavalry's Company E. Although the weather was bitter cold, Army personnel kept warm with plenty of appropriate clothing. Not so the children of the countryside. Harrison observed that although clothing is sent from the United States to Seoul, little if any of it appears to reach the children living near the northern frontier.

His friends and former classmates will be interested to learn that Harrison is able to pursue his hunting career in his spare moments: small deer "the size of dogs but with tusks instead of horns," pheasant and wild pig abound in quantity in the hills. "With a couple of sergeants, I've even managed to cook the meat; the deer is delicious."

Those who would like to drop Harrison a line may address an airmail letter (regular mail takes a month) to PFC Harrison S. Hilbert, R.A. 19677382, E. Co., 1st B. G., 8th Cavalry, APO 24, San Francisco.

County Orchestra To Play Symphony By Local Composer

Highlighting the February 5 concert of the Monterey County Symphony will be the premiere performance of Symphony in E by Peninsula composer, Phillippe Buhler. The work was especially comissioned by the orchestra, the first such commission ever given by the local group.

Mr. Buhler, a resident of Pacific Grove, is considered one of the most promising composers in the West, where his works have been widely performed for more than a decade. A native of Switzerland, he received the majority of his musical training in Europe, studying at the conservatories of Mulhouse, Lyon and Lausanne, and earning a bachelor's degree at the University of Strassbourg. However, he completed his studies in the United States, obtaining his master's degree at the University of Redlands.

A prolific composer whose works include a piano concerto, piano sonatina, symphonic essay, string quartet, and numerous sacred songs, Mr. Buhler's Symphony in E is the first full symphony he has attempted. Although this work was written in the classical four-movement form, it is completely contemporary in its use of harmony, color and scale, as well as other musical devices.

No newcomer to local music circles, Phillippe Buhler has had his works performed here consistently since his arrival on the Monterey Peninsula almost four years ago. In 1959 the Monterey County Symphony's presentation of his Symphonic Essay was enthusiastically received.

His most recent compositions include Octet for mixed instruments which was premiered at the Monterey Peninsula College last year, and Cantate Domino for chorus, brass and organ, and Psalm 95, which were performed in 1960 at the U.S. Naval Postgraduate School for a convention of California music educators.

In addition to West Coast performances, Mr. Buhler's compositions have also been played in the east, mid-west and in France, and his works have been published by music houses in Paris, New York and Chicago.

Mr. Buhler, in his early forties, is an instructor in French at the U.S. Army Language School, and teaches Monterey Peninsula Junior College evening classes.

Those attending this event will be urged to wear fancy masks.

General chairman of the French bazaar is Madame Alice Legrand of Pacific Grove, who recently came here from France. Assisting in collecting and assembling items to be sold for the benefit of the French Alliance are Mrs. James L. Hathaway, Mrs. Henry Baron, Mrs. John Dowdakin, Mrs. Robert D. Clampett, Mrs. Calvin Pitfield, Miss Monique Guenais, William Cano and Donat Ivanovsky. Honorary president Mrs. August Armanasco is giving substantial help to the forthcoming bazaar. Those wishing to donate fashion jewelry, books in any language (a sizable number of books in French have already been donated and more will be welcome), small ornamental objects, handicrafts, paintings, prints or any such suitable items, all in top condition, may do so by getting in touch with Mrs. Hathaway, FR 2-1138; or Mrs. Olivie, MA 4-7113; or Mrs. Clampett, MA 4-8100.

The bazaar will be held in and out-of-doors, at Le Coq D'Or restaurant on Mission street, near Fifth, between 10:00 o'clock in the morning and 3:30 in the afternoon.

For advance reservations for the gala dinner and ball, on Shrove Tuesday, one may telephone the general chairman, Mrs. Robert D. Clampett, MA 4-8100, or the president, Mrs. Carlson, MA 4-3195.

Joanne Forman Visits

A houseguest of Brett Weston's in Carmel Highlands, is Joanne Forman, young composer from Three Rivers, California. Miss Forman, who prefers to write music for chamber instruments, is arranging a series of small concerts at the Applehouse Gallery, Three Rivers, of which she is an associate director, to be performed by local musicians. In May she plans a full-length concert there. Asked what kind of music she composes, Miss Forman said, "All kinds! But I particularly like composing for small groups. I've used the atonal method, but what I am really trying to achieve is simplicity and clarity, often lacking in contemporary compositions. Mozart is the master of clarity."

A Daughter For Lacy and Jack

The first child of Mr. and Mrs. Jack Faia (Lacy Williams), a daughter, was born at 5:00 o'clock last Friday morning at the Peninsula Community Hospital. She weighed seven pounds, 13 ounces, and her parents have named her Melissa Stuart.

She is Dr. and Mrs. John Faia's first grandchild. Maternal grandparents are Mona and Henry Meade Williams. Melissa has one aunt, Mrs. Ed Bryant (Karen Williams) of Los Angeles; three uncles, Chris Williams, a student at Pratt Institute in New York City, Ron and Tommy Faia of Carmel; and a cousin, five-and-a-half year old Jessica Bryant. Two great-uncles are Jesse Lynch (Lyn) Williams, Jr., and Laidlaw Williams.

Lacy and Jack make their home in Los Angeles, where Jack is in his second year at the University of Southern California Dental School, but they wanted their baby to be born in Carmel. So it happened that Lacy had the same doctor and the same hospital that her mother, Mona, had when Lacy herself became a native Carmelite 20 years ago. Furthermore, the Williams' neighbor, Mrs. Ture Vosberg, who was obstetrical nurse at the Community Hospital at the time of Lacy's birth, was on hand as a kind of extra grandmother when Lacy and Melissa left the hospital on Monday afternoon. Mona was busy giving a talk to the Carmel Woman's Club book section and had to miss her new grand-daughter's homecoming.

Godwins Back From Paris

Mr. and Mrs. Harrison Godwin and their daughter, Sheila, flew out from New York by jet January 5 after about six weeks abroad, much of the time spent in Paris. They had planned an extensive visit to the Dordogne region of southwestern France, but because of extremely cold weather decided to make their headquarters in Paris.

On December 18 they started homeward, first going by train to Naples, then boarding the S.S. Saturnia for New York. Christmas was spent on board ship, and New Year's celebrated in New York City. "Altogether a most pleasant trip," says Mrs. Godwin.

Rosa Doner's Birthday

The sudden return of winter weather last Saturday had no perceptible effect upon the enthusiasm of some 200 friends who celebrated Mrs. Ephraim Doner's birthday late Saturday afternoon at an al fresco party staged by Ephraim (Don) Doner and the couple's daughter, Tasha.

Guests walking up the Doners' Carmel Highlands hill (cars had to be left on the road below) as the sun was setting, were greeted with five crackling fires ringing the patio, strings of colored lights and glowing paper lanterns hung overhead from tree to tree. The cold air merely added extra zest to the festivities which included tables spread with a variety of delicious cheeses, breads, meat pates and bottles of red and white wine.

Among those glimpsed around the tables or warming themselves at the blazing fires were Mr. and Mrs. Alexander Weygers, Mr. and Mrs. Bruno Adriani, Senator and Mrs. Fred Farr, Mr. and Mrs. Jack Benson, Mr. and Mrs. Wynn Bullock, Dr. and Mrs. Dexter Whitcomb (Dr. Whitcomb had brought Rosa six brace of Mallard duck bagged near Gustine), Mr. and Mrs. Kenneth Ehrman, Mr. and Mrs. William K. Stewart, Mr. and Mrs. Ralph Atkinson, Mr. and Mrs. August Armanasco, Dr. and Mrs. R. A. Kocher, Dr. and Mrs. Donald Taugher and their son Steve.

Some of the other happy guests who thronged the patio, visited Mr. Doner's studio and occasionally sought a warmer climate inside the candle-lit house were Mr. and Mrs. John Ruster, Mr. and Mrs. Mark Raggett, Mr. and Mrs. Charles Dawson, Commander and Mrs. James Raynes, Dr. and Mrs. Talcott Bates, Dr. and Mrs. Russell Williams, Mr. and Mrs. F. Robert Smith, Mr. and Mrs. Fritz Wurzmann, Dr. and Mrs. James Niebel, Mr. and Mrs. James Campbell, Mr. and Mrs. L. W. Klene, Mr. and Mrs. Richard Lofton, Mrs. George Dunbaugh, Eric Barker, Brett Weston, Bill Brandon, Arch Garner. Over 50 of Mrs. Doner's nursery school parents were there, chatting with some of the older "alumni" parents about the Carmel Parent Nursery School from its beginnings in 1950, under Rosa's directorship, at the Church of the Wayfarer, to its flourishing establishment since 1955 at Bay School, the little red schoolhouse south of Carmel.

Still others greeting friends in the firelight were Mr. and Mrs. Laidlaw Williams, Mr. and Mrs. William Satchell, Jr., Mr. and Mrs. Donald Criley, Mr. and Mrs. John Short, Mr. and Mrs. Alan Marcus, Mr. and Mrs. Frank Lloyd, Mr. and Mrs. Robert Stephenson, Mr. and Mrs. Howard Byrne, Mr. and Mrs. George Walker, Mr. and Mrs. Everett Banfield, Jr., Mrs. Marie Short, Mrs. Harold Price, Mrs. Herb Vial, Mrs. Dan Dancy, Mrs. Caroline Harriman, Mrs. Berthe Simpson, Mrs. John Nesbitt, Mrs. Paul Clark, Mrs. Valentine Miller, Miss Joanne Forman, Vic Knight, Glenn Minshall, Michael New, John Chaffey, Dr. Niels Brandstrup.

Among Tasha's contemporaries enjoying the wonderful food were Susan Campbell, Mary Pat Palmer, Tamar Truesdell, Heidi Ruster, Honey Williams and Alison Miller.

"We had a cross section of Carmel," commented Mr. Doner. "Doctors, lawyers, merchants, writers, artists. All that was lacking were Viennese violins in the background, and we didn't really need them!"

Francis Whitaker Off To Ski

Francis Whitaker left last Saturday with Max Forstl for his annual vacation on the ski slopes from city council duties. His itinerary takes him from Mammoth Lakes, California, to Aspen and Arapahoe Basin in Colorado, and, depending on snow conditions, to Slide Mountain near Reno. Part of the time he plans to ski with Carmel's well-known mountaineer, Dr. Bruce Meyer, and Mrs. Meyer, and in Arapahoe, also join forces with the Whitakers' son, Dr. Steven Whitaker.

While Mr. Whitaker is away, his wife, Elaine, will travel to Washington, D.C. to visit her mother and sister, then go to Evanston, Illinois, to stay with Dr. Steven Whitaker and his wife, Nancy.

Vivian Weer's Valentine

The February issue of the children's magazine Playmate gives a page of instructions on how to make an unusual kitten valentine of folded paper strips which form its springy legs and tail. The designer is Vivian Weer, a young Carmelite ("I came here 11 years ago on a vacation . . . "), wife of Bob Weer and daughter-in-law of Lloyd Weer.

Vivian, who has designed children's greeting cards for publication, likes to write and illustrate for children. She has completed three picture books which are in the process of being marketed, and has tried her hand at children's stories. Always eager to give their mother suggestions, and encouraged to do so—"We all work together"—are Lloyd, a first grader at Woods School; Bobby, four, and two-year-old Steven.

Dr. and Mrs. Stilwell Here

Visiting Mrs. Joseph W. Stilwell on Carmel Point are her son Ben and his wife, Betty Lou. Dr. Stilwell, a pathologist, has been working with the Atomic Bomb Casualty Commission in Nagasaki, Japan, under the auspices of the National Research Council, which for 15 years has been studying late radiation effects on survivors of the 1945 atomic bomb. This study has been conducted in three fields: a survey, internal medicine, and pathology and statistics.

At the moment enjoying a well-earned rest, Dr. Stilwell reports that his future plans are indefinite. Dr. Stilwell is a graduate of Carmel High School.

Mysbergs To Move

Planning to leave Carmel, which they have considered home for the past 20 years, are Mr. and Mrs. Fred Mysberg, who will move to the French Riviera in mid-February.

The Mysbergs, originally of Amsterdam, The Netherlands, came to the Peninsula originally in 1941, from China at the outbreak of World War II. They built a home on Carmel Point in 1948 and have occupied it off and on since that time, spending part of their time in Europe. Mr. Mysberg, now retired, was formerly engaged in banking in Bangkok and elsewhere in the Far East.

Visitor From Copenhagen

Dr. Niels Brandstrup, whose home is Copenhagen, but whose profession brought him to the Stanford Medical Center last August on a training grant from the United States Public Health Service, was the weekend guest of Dr. and Mrs. Russell Williams. Dr. Brandstrup, who specializes in the metabolic diseases of children, is a cousin of Mrs. Yvonne Winslow of Berkeley, former Carmel resident, and this is his third visit to the United States. After completing medical school in Denmark, he studied at Washington University in Saint Louis on a Fulbright fellowship in 1956, subsequently working at the Massachusetts General Hospital in Boston and the Hospital for Sick Children in Toronto.

This is also Dr. Brandstrup's third visit to California. At present a research fellow in the Department of Pediatrics at Stanford, he hopes eventually to go into practice in this State. "I am charmed with northern California," he admits. "San Francisco and Copenhagen are cities which have much in common."

Plans For 20-Unit Motel On Junipero

Yesterday, for the first time in over a year, planning commissioners studied plans for a new motel in Carmel. Drawings for the 20-unit development at the corner of Junipero and Third were prepared by the architectural firm of Elston and Cranston for Anthony Vasconcellos.

The existing glass and paint shop areas on the premises will be retained. Another store will be added. Twenty off-street parking places are provided in the plans for the 19 motel units and manager's apartment. Entry and exit to the motel parking lot will be off Third Street. A chalk rock wall, with planters on top extends down Junipero from Third in the plans which incorporate a three-story portion at the southwest corner of the two-storied galleried development.

Planning commissions objected to the unbroken wall which they indicated should be recessed at some parts for sidewalk level planting. They also asked the architects to submit further plans to enable them to judge the appearance of the three-story portion.

Occidental Chorus Benefit Concert

The internationally acclaimed Occidental College Glee Club will appear at Sunset Auditorium Saturday, January 27, at 8:00 o'clock in the evening, with Dr. Howard Swan, chairman of the music department at the college, as director.

Dr. Gene Emmet Clark, of the Church of Religious Science, will officiate. Born in Conway, Kentucky, she came to California 53 years ago and resided in Banning the past seven years.

She died Tuesday in a Loma Linda sanitarium, leaving two sisters, Mrs. Grace Baldwin, Grass Valley, and Mrs. Evelyn Donald, Santa Monica; also a brother, Joseph L. Shockley, Sacramento. Inurnment will be in Forest Lawn Memorial-Park, Glendale.

Alan Marcus in Hollywood

Writer Alan Marcus of Carmel Highlands was in Hollywood for a few days this week conferring with producers Stewart Millar (whose film The Young Doctors was recently shown on the Peninsula) and Leonard Karzmar. Mr. Karzmar is considering the filming of Seymour Kern's The Golden Scalpel, a novel which exposes some abuses of medical ethics and the occasional catastrophe of too quick medical success.

Alan's novel about Hollywood, Of Streets and Stars, received warm praise in the December 24 edition of the London Sunday Times. Three authors and critics, W. H. Auden, Alberto Moravia and Dorothy Parker were asked to discuss a few recently published books that had most interested them in 1961. Dorothy Parker, writing from Hollywood, put Of Streets and Stars at the top of her list. She says of Alan's book: "It is to me a novel of dazzling originality, written with compassion, sometimes with a wild humour, always in the beauty of simplicity."

Gosling Announces Symphony Contest For Young Composers

The Monterey County Symphony through its resident conductor and music director, John Gosling, has announced plans for a statewide Composers' Award Contest, which it hopes will achieve two purposes.

The first is to bring the music of a talented, young Californian to public attention, and the second is to find a contemporary piece of outstanding merit, which is playable by a community orchestra.

An anonymous donation to the Monterey County Symphony for this specific purpose has made possible the contest, which will feature first and second place prizes of $400 and $100 respectively.

The winning composition, in addition to receiving a cash award, will be performed by the Monterey orchestra during the 1962-63 season, with a possible chance of publication. Future performance of the second place choice will also be considered.

Further information may be obtained by writing to: Composition Selection Committee, Monterey County Symphony Orchestra, Box 3851, Carmel.

The Value Of Heresy

Religious ideas which deviate from orthodoxy have been called heresies. But is that so bad? There would be no progress in this world without the heretic, not even in religion.

Moses was a heretic and so were Jesus and Mohammed, Buddha, Confucius, Hamurabi and Iknaton, all of whose teachings deviated widely from the orthodox trend of thought in their lifetimes.

They suffered for their heresies, but they also contributed to progress. And progress is man's destiny, his humanity and divinity, all in one.

If you are one of the many whose own religious convictions deviate from orthodoxy, you may feel at home among Unitarians.

New Fabric Shop On Lincoln Street Opens Saturday

Opening Saturday with a stock of domestic and imported textiles will be Carmel's newest store, The Fabric Shop, owned and operated by a British-born couple, Bill and Joan Jennings.

The Jenningses, who recently moved to Carmel from Vancouver, British Columbia, have located their shop on the west side of Lincoln Street just south of Ocean Avenue, where they will sell French and Italian silks, British and French wools and American cottons.

In addition to the fabrics, the store will carry a collection of Irish gift items, including handpainted, dressed dolls.

Bill Jennings brings to his new business a wide background in textiles. Born in London, he spent the early part of his career working for the famous textile mills of Europe. In 1946, following a six-year wartime stint as a lieutenant commander in the British Navy, he emigrated to Canada, where he was assistant manager of one of the Dominion's largest department stores. For the past eight years he has been manager of the British Columbia office of Canadian Celanese. As an item of more than passing further interest, Bill in 1954 became a member of the first reserve troop of the Royal Canadian Mounted Police.

Joan, whose birthplace was Bristol, England, opened a school of dance in Cardiff, South Wales, and later in London, following her own dance studies in Manchester and London. She passed examinations of the Royal Academy of Dancing, the Green Dance Association, and became a fellow of the Imperial Society of Teachers of Dancing, coming in 1946 to Vancouver where she opened a school again. During her Canadian years, she was also organizer for British Columbia for the Royal Academy of Dancing in England.

A WAY OF LIFE FOR $31,500

Artistic Carmel charmer with a picture-pretty look,
It's like the illustrations in your childhood story book.
A pleasant, peasant kitchen with a spot to sit and talk,
And a friendly little terrace with a flower-bordered walk.
The woodwork's all handcrafted and the floors are polished oak,
Vaulted, crossbeam ceilings, and the fireplace doesn't smoke.
Bedrooms? Two in number and two studios are there,
(One has a secret entrance by a special kind of stair.)
Completely fenced for children and a dog, a cat or two.
You like informal living? Then this house is really YOU!

BABO SPEAKER FOR BAHA'I WORLD RELIGION DAY

Frederick F. Babo, active teacher and lecturer of the Baha'i World Faith, will be on the Peninsula this week end. Mr. Babo will come here to speak at the annual public observance of World Religion Day which will be held by local members of the Baha'i World Faith this Sunday at 8:00 o'clock in the evening at the Artists Guild of America Galleries, Monte Verde near Ocean in Carmel.

He will discuss the basic questions underlying many of the economic, political, racial and religious problems of the world today in a lecture entitled World Conflict Needs New Spiritual Approach. This lecture is open to the public without charge.

Citizens To Help Planners Define City Parking Lot Need

(Continued from Page One)

tion, department of planning at the University of California, Heller Foundation and the national American Institute of Architects. The commission will ask these persons to prepare addresses and be ready to answer exhaustive questioning.

Following this the commission plans to invite members of the Carmel Business Association, Carmel Citizens Committee, the local branch of the American Institute of Architects, Carmel Woman's Club, Motel Owners Association and Hotel Owners Association to guide them by giving their opinions on Carmel parking problems. They, too, will be asked to answer questions.

Lastly, planning commissioners may further invite individual citizens to help them form a parking policy at a public meeting.

Commissioners are seeking help from all these persons because they feel they do not, as yet, possess the necessary volume of facts on which to base conclusions which will lead to a parking plan policy.

Commissioner Fred Keeble, instead of this community program, suggested that a professional planner should be hired by the city to help on the parking plan. Other commissioners disagreed.

Commissioner Hugh Smith stated he thought parking plan studies should be directed towards Carmel in particular, "We should deal with our own problems," he stressed.

Chairman Herbert Blanks pointed out that in the past the city had employed two professional planners who drew up parking plans which were unacceptable to the citizens.

"Planning commissioners must develop a plan themselves," he added, and indicated that the procedures outlined above, which embrace the community and professional authorities, seemed, to him, the proper way to proceed.

Commissioner Dorothy von Meier stated that she needed the community information proposed, "I don't know anything about parking," she emphasized.

Secretary L. D. Rose indicated that asking community help and thus establishing knowledge of just what Carmel needs and wants in the way of off-street parking was a "necessary antecedent" to any parking plan which later might be implemented by professional aid.

Commissioner John B. Martin queried, "Has the city used up all its on-street parking?" He said there are still areas around the post office and on Junipero Street which are not used for parking to any great extent.

Commissioner Florence Josselyn said, "Let's look at what we have, then decide what we need."

dition to 50 hotels and motels.

This is Carmel as one visitor sees it. Hundreds of others come and see differently. Many of these latter visitors aspire only to live here and become as Mr. Sutton phrases it, "locals who nest in the sand dunes even in the dead of winter."

We "locals" see our city as a community populated by conservative persons of good taste.

Not for us the glare of neon signs or trees sacrificed for miles of paved sidewalks which permit mailmen to plod from numbered door to door. We have live music in our homes, attend Monterey County Symphony concerts and the Bach Festival, hear internationally known artists brought here by the Carmel Music Society.

We have serious painters and writers, and active art organizations.

Our little theatres present fine fare.

We patronize our excellent library much more than residents in cities many times the size of Carmel. We work to perfect our college-preparatory school system. We have recreation and companionship for citizens of all ages at the new adult recreation park, Carmel Foundation Town House and the Carmel Youth Center.

Our planning commission strives to ban all "artsy-craftsy dens." We elect city councilmen who help us to preserve our way of life and allow no city-owned tree to be cut down without arriving "en bloc to render a decision" as Mr. Sutton points out.

All in all, quaint things that we are, even perhaps "longhairs," we have an enjoyable life in spite of visitors who create parking problems and leave paper cups on the beach instead of placing them in city waste receptacles, because these visitors are not lured to Carmel by chamber of commerce highway billboards, which we abhor. Most of them come here to enjoy our difference from other communities, our shops, our trees, our beach, our beauty. And we prosper.

We are proud Carmel is a "seawashed freak" and mean to keep it that way; in our way. Those who poke fun at us are often motivated by envy. —M. L.

on Mondays and Wednesdays at 7:30 o'clock. Gil La Freniere will be the instructor. He has a B.S. in geology from the University of Massachusetts and has an M.A. degree in geology from Dartmouth College, and has worked as a geologist with U.S.G.S. and the Kern County Land Co. He has also taught geology. This class will start on January 29.

A new section of speed reading, taught by John Rylander, will start on Tuesday. It will emphasize the improvement of reading speed and comprehension. Each member of the class is provided with a reading pacer, a mechanical aid method, which helps increase reading speed.

Fine arts classes include color and still life, life drawing, outdoor painting—beginning and advanced, portraits (charcoal and pastel), sketching and painting.

Typing will be offered for beginners and people who wish to increase their speed for a period of six weeks.

Citizenship will again be offered on Tuesday and Thursday evenings.
